Certificate

Standard **ISO 45001:2018**

Certificate Registr. No. **01 213 1933213**

Certificate Holder: **Huawei Technologies Co., Ltd.**
Huawei Headquarters, Bantian, Longgang District,
Shenzhen, 518129 Guangdong, P. R. China

including the locations according to annex

Scope: Design, Manufacturing, Procurement, Supply Chain Management, Sales, and Services (including Installation Management, Network Engineering Services, Network Field Maintenance, Repair, Customer Support and Training Services) of Semiconductors and Components (including Network and Device Chips, Consumer Chips, and Optical Components), Fixed Access Products, Radio Access Products, Core Network Products, Transport Network Products (including Wavelength Division Multiplexing (WDM) Equipment), Data Communication Products, Synchronization Network Products, Antenna System and Radio Frequency Products, Copper and Optical Distribution Network Products (ODN and Distribution Product), Business Support System Products, Network Management System and Tool Products, Data Service Products, Enterprise Service Products, Intelligent Vision Products, Intelligent Collaboration Products, Infrastructure Network and Security Products, Cloud Computing Products and O&M Management Services of Huawei Cloud Data Centers, Data Storage Products, Computing Products (including General-Purpose Servers & Computing Components, and AI Servers & Computing Components), Hybrid Video Products, Digital Entertainment Products, Telecommunication Terminal Products (including Mobile Phone), Computer and Accessories, Automotive Components and Smart Systems (including Smart Driving Solution, Mobile Data Center, Intelligent Sensor, Lidar, Radar, Camera, Smart Logistics Vehicles, Maps, Navigation, Automatic Driving Data Service, Smart Logistic and Travel Service, Robotic, Smart Cockpit, Vehicle Cloud Service, Vehicle Control, Thermal Management System, Vehicle Gateway, Communication System and Assembly, Multimedia Information System), Digital Power Products (including Site Power Facility (including Telecom Power, Hybrid Power, Intelligent Lithium, Intelligent Charging, Intelligent Site), Smart PV (including Inverter, Energy Storage System, Transformer and Power Distribution Equipment), Embedded Power (including Box-shaped Power, Board Mounted Power, Consumer Fast Charging Module), Data Center Energys (including UPS, Intelligent Lithium, Data Center Infrastructure (including Modular Data Center, Precision Air Conditioners in the Equipment Room)), Digital Power Cloud, Intelligent Electric Mobility (including on-Board Charger and Auxiliary Power Supply, Motor Control System, Battery Management System, Powertrain), Digital Power Controlling System).
Note1: ODN and Distribution Product: ODF (Optical Distribution Frame), FDT (Fiber Distribution Terminal), SPL (Splitter), FAT (Fiber Access Terminal), SSC (Splitting and Splicing Closure), Indoor Cable, iODF (Intelligent Optical Distribution Frame), iFDT (Intelligent Fiber Distribution Terminal), iFAT (Intelligent Fiber Access Terminal), Intelligent Patch Cord, iSPL (Intelligent Electric ID).
Note 2: Cloud Computing Products including: Compute, Storage, Networking, Containers, Content Delivery & Edge Computing, Databases, Security & Compliance, Business Applications, Blockchain, Middleware, Management & Governance, Developer Services, Migration, Media Services, Internet of Things, Dedicated Cloud, Artificial Intelligence, and Analytics.
Note3: Supply Chain Management include Storage, Logistic and Delivery Management.

Proof has been furnished by means of an audit that the requirements of ISO 45001:2018 are met.

Validity: The certificate is valid from 2022-06-24 until 2024-05-18.
It remains valid subject to satisfactory surveillance audits.

This certificate information can be searched on CNCA official website http://www.cnca.gov.cn
